COMPANY PROFILE

Subh Steel
Fab Engineers Pvt Ltd

Delivering Excellence for over 20 Years

www.subhsteel.com

About Us.

Subh Steel Fab Engineers Pvt. Ltd. is a leading steel fabrication company with a proud legacy of 20 years in business. We specialize in the fabrication of heavy steel structures, Girders anf industrial process equipments.

As an RDSO-approved girder fabrication company, with an area of 10,000 Sq. meter and annual production capacity of 4000MT, we meet the highest standards for quality and precision in railway and infrastructure projects.

Our commitment to transparency, sustainable growth, and uncompromising quality has earned us the trust of top EPC and OEM clients across the country.

The Organization.

Dinesh Jagetia

Director

Mr. Dinesh brings over 30 years of expertise in the steel fabrication industry. A Postgraduate in Science, he excels in managing complex operations. His strategic planning and commitment to quality have been key to steering Subh Steel's success since its inception.

Divy Jagetia

Director

Mr. Divy, an engineer with studies at HEC Paris and a Level 1 CFA, brings 7 years of experience, including at Bosch. He leads strategy, business development, and corporate relationships at Subh Steel, blending technical expertise with business acumen.

The above approval is subject to the following:

1. Please note that this approval does not guarantee for award of any contract / order for the supply of items.
2. This approval does neither confer on the subcontractor any right to demand mailing of enquiries nor is BHEL obliged to contact the Subcontractor for any of the requirement for the items registered.
3. This approval will be in force as per the SDC/Outsourcing procedures and other extant BHEL guidelines.
4. Other general conditions as per policy are
   a) Rate contract enquiries/other enquiries will be sent to you along with other registered vendors for the applicable rate schedules / other items. If your offer is found to be competitive, orders would be placed on you as per terms & conditions in effect. If you fail to respond to four consecutive tender enquiries, your name will be deleted from our subcontractor directory.
   b) Your performance will be monitored on quality and delivery of the product as well as service rating, which includes response and readiness in emergency.
   c) Performance rating will be done for every P.O. and during the course of execution of our orders. If the performance is found to be not satisfactory, we will be constrained to suspend business dealings with you as per extant BHEL guidelines.
5. Any change in the product range, location of works site, office, management /organizational structure etc. should be intimated to us as and when it arises.
6. We retain the right to review and cancel your requirements as per company guidelines without any liability on our part.
7. Submission of requisite documents like BG and others at the time of signing of rate contract/tenders shall have to be complied with.

Kindly quote your Vendor Code for all your future correspondences.
